Remarks

Exquisite home by Heritage Builder, situated on almost half an acre, in the most desirable area, West of the Trail, on a quiet canopy street. Lovely styling inspired by homes in the West Indies with the finest of interior finishes and memorable architectural details. A breathtaking view of a tropical paradise is seen from the Great Room and Kitchen, with sparkling pool and expansive area for entertaining including a beautiful covered area and outdoor kitchen. The owners suite features a formal entry vestibule, vaulted ceiling, his and her walk in closets, and a spacious bathroom with dual vanities. The open design kitchen has Chef's grade stainless steel appliances, full height backsplash and walk in pantry. Hurricane, impact rated, insulated, low E windows with vinyl frames, spray foam insulation and 8' solid core doors. This remarkable residence is more like a tropical resort on a "one of a kind" property. Located 10 minutes from downtown and the beaches.
